## 5. APPLICATION AND SELECTION PROCESS

### **Method of Selection for Recommendation**

#### *Shortlisting*

An expert group will convene to conduct shortlisting of all applicants, measured against the pre-determined criteria required of the position.

Normally the number of applications received for a position exceeds that required to fill the position. While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the College may decide that a limited number will be called to interview. This is not to suggest that other candidates are necessarily unsuitable to undertake the job, rather that there are some candidates, based on their application, appear to be better qualified and/or have more relevant experience. It is incumbent, therefore upon the applicant, to ensure that all relevant information is included in their application and that they clearly identify how they meet the specified candidate criteria.

Candidates must produce satisfactory documentary evidence of all training and experience claimed by them, if required.

#### *Interview*

A recommendation for appointment will be made by an Interview Board. The appointment will be based on this recommendation, except where considerations of health or an unsuitable record in previous employment warrants a departure. A panel will be formed from which permanent and temporary appointments to the position of **Assistant Lecturer/Lecturer in Education with expertise in Social, Personal and Health Education (SPHE)** may be filled during the life of the panel (12 months).

### **Medical Examination**

For the purpose of satisfying requirements as to health, successful candidates, before being appointed, will be required to undergo pre-employment health screening.

### **Garda Vetting**

All successful applicants will be required to participate in Garda vetting. Specific instruction on this process will be given at the appropriate time. Applicants who do not comply with the College's requirements in this regard will be excluded from consideration for appointment.

Late applications **cannot** be accepted.

The College will not be responsible for any expenses, including travelling expenses, which candidates may incur in connection with their candidature.

Canvassing will disqualify. Any attempt by a candidate either personally or through any other person, on their behalf, to canvass or otherwise influence the outcome of the selection/interview process in his/her favour will lead to disqualification from the competition. Any representations made on behalf of a candidate, without his/her knowledge will be ignored.
