

MIC Departmental Assistantship Information Sheet

AY2018/19

INTRODUCTION

The terms and conditions of the MIC Departmental Assistantship (DA) Scheme are approved by the Executive Team (ET). The Scheme is managed by the Research and Graduate School (RGS) on behalf of the ET, including management of appointment contracts, annual renewal and discontinuation of DA Awards. Selection, induction, definition and apportionment of duties, monitoring and evaluation of DAs operates through Academic Departments.

Through the DA Scheme, the College makes provision for the appointment of a number of registered postgraduate research students (PhD and MA by research and thesis only) as DAs. Awardees benefit from the financial support afforded to them and gain valuable experience through teaching and working with academic colleagues. DAs in turn make a valuable contribution to the academic activities of Academic Departments, Faculties and the College in general.

1. Overview of the MIC Departmental Assistant Scheme

One DA per annum is available to each Academic Department. This is annually renewable for up to 3 years subject to satisfactory performance as determined by the Head of Department (HoD). This is offered by open and publicly advertised competition. All current and prospective PhD and research MA students may apply for a DA, but the Award can only be taken up by postgraduate research students once they are registered in the College.

Academic Departments can also avail of an opportunity to compete for one additional DA in the same Academic Year under the Floating Departmental Assistantship (FDA) provision within the Scheme (see Appendix A).

A DA Award currently provides for a stipend of €6,900.00 per annum (AY 2018/19) along with a full fee waiver in Years 1, 2 & 3 for PhD students. Where a DA Awardee enters a 4th year of studies, a full fee waiver is provided, but no stipend is payable in Year 4 and no duties are required in Year 4. MA students who receive a DA Award are entitled to a stipend of €6,900.00 (AY 2018/19) with a full fee waiver for a two year period. Stipend instalments are paid monthly beginning in September and ending in May.

A DA is required to provide up to a maximum of 120 hours of assistance to their home Academic Department across the Academic Year or an average of 5 hours per week per semester. A DA may not exceed 10 hours Departmental duties in any given week during the semester.
