

1916 Bursaries: Frequently Asked Questions (2019/2020)

Who can apply?

The 1916 Bursary Scheme is open to all applicants who aim to pursue undergraduate higher education in 2019/2020. Mary Immaculate College will review all applications. However, applicants should have made an under-graduate application for 2019/2020 through the CAO to Mary Immaculate College, via one of the following admissions pathways, in order to be initially shortlisted for the award of a bursary.

- Higher Education Access Route (HEAR)
- Disability Access Route to Education (DARE) - priority will go to:
 - students with a physical/mobility impairment
 - students who are deaf/hard of hearing
 - students who are blind or have a visual impairment
- Mature Student entry (first-time entrants only)
- QQI award entry
- Part-time programme entry

Bursaries will only be awarded to first year – first time entrant - undergraduate students, registered in Mary Immaculate College for the 2019/20 academic year with a household income less than €24,000 and/ or in receipt of a DEASP means-tested social welfare payment in 2018 and who are in the identified target groups and socio-economically disadvantaged.

Applicants who are eligible through one of these pathways may also be from one of the following target sub-groups:

- Lone parents
- Member of the Irish Traveller community
- Ethnic Minorities (including programme refugees)

Can I be assessed for more than one type of bursary?

Yes, while you can only be considered under one entry pathway into an undergraduate programme you can be considered under a number of targeted groups. For example, if you are a QQI applicant to the College but also a lone-parent you can be considered for a bursary under both the QQI and Lone-Parent groupings provided you meet the key criteria noted above.

What does “Socio-Economically Disadvantaged” mean for the 1916 Bursary?

This term usually means that you live in an area of urban or rural disadvantage where not many people from that area go on to third level education by tradition or for financial reasons. You may have attended a DEIS (Delivering Equality of Opportunity in Schools) school. Your family income may mean that you may not be able to go to college without financial help. You may be from a socio-economic group that is underrepresented in higher education. All of these factors, either individually or often combined, mean that you have additional social and financial barriers to accessing higher education.

I think I may be from an ethnic minority, can you clarify this?

Mary Immaculate College has decided that the ethnic minority group, as per the guidelines for the Bursary Scheme, will include persons whose current immigration status or leave to remain under the Department of Justice and Equality is one of the following:

- Refugee (including programme refugee);
- Subsidiary Protection;
- Permission to remain as a family member of an EU/EES/Swiss citizen under the European Communities (Free Movement of Persons) Regulations 2006 and 2008 and EU Directive 2004/38/EC (EU Treaty Rights provisions);
- Permission to remain because of marriage/civil partnership with an Irish national or as dependent child of such a person;
- Humanitarian leave to remain granted before the Immigration Act 1999 came into effect;
- Permission to remain following a decision not to deport under Sections 3 of the Immigration Act 1999; or
- Permission to remain as a dependent child or a person who has acquired Irish Citizenship by naturalisation, residing in the State.

For further clarification, please see Section 14 of the Student Support Act 2011 and regulation 5 of the Student Support Regulations 2018, SI 101 of 2018

Appeals will be reviewed by representatives from the Mid-West/Shannon Consortium Cluster. Representative(s) from your Higher Education Institution will not be involved in the appeal’s process. No member of staff involved in making the original decision will be involved in the appeal decision process. A letter detailing the outcome of your appeal will be e-mailed to you. There will be no further stage of appeal beyond this final decision.

Applicants wishing to appeal must submit in writing, outlining the administrative error in assessment, to Brid.Hennessy@mic.ul.ie
