

MIC Payment Options – How to Pay my Course Fees

Students have the following options of payment,

1. Online Payment with Credit/Debit card.

Students should log on to their Student Portal www.si.ul.ie. This is the quickest and easiest way to pay.

Once logged on go to **Student Fees Page** and click on **Make a Payment** option. Please have a current credit / debit card and CCV number to hand. Please be aware of the Daily Limit on your card. You may need to make more than one payment to clear your account.

Students paying online have the option to pay:

100% of the fee due

50% of the fee due

Any other amount.

Students can pay any amount they wish online in numerous transactions. This is to facilitate those with Daily Limits on their cards. Students should note that at least 50% of the fee due must be paid before the start of term in order to register and all fees are due in full by 12th January 2018.

Credit/Debit Card payments can no longer be taken over the phone to the Fees Office

2. Automated Telephone Payment

An automated Telephone Payment system is available 24x7 on the following number **061-529092**. This number is for Student Fees Payments only, please check your portal account for up to date balance.

You are required to have your Student ID #, the student's date of birth and a card on which the payment is to be made.

3. Bank Transfer - EFT

If you wish to pay by Bank Transfer (EFT), the MIC Student Fee Bank Details can be obtained by emailing studentfees@mic.ul.ie
