5. APPLICATION AND SELECTION PROCESS

The number of applications received for a position generally exceeds that required to fill the position and while a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the College may decide that only a limited number of candidates will be called to interview. In this respect the College will provide for the employment of a short listing process to select a group for interview who, based on an examination of the application forms appear to be most suitable for the position. An expert board will examine each application form against pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in the candidate's own interest to provide a detailed and accurate account of qualifications/ experience on the application and clearly identify how they meet the specified candidate criteria.

The selection process may include an aptitude assessment of one or more of the essential competencies for the post.

A recommendation for appointment will be made by an Interview Board. The appointment will be based on this recommendation, except where considerations of health or an unsuitable record in previous employment warrants a departure. A panel will be formed from which temporary appointments to this post may be filled during the life of the panel (12 months).

Candidates must produce satisfactory documentary evidence of all training and experience claimed by them, if required.

Medical Examination

For the purpose of satisfying requirements as to health, successful candidates, before being appointed, may be required to undergo pre-employment health screening.

Garda Vetting

Successful applicants will be required to undergo Garda vetting if they have not already done so during their employment with the College. Specific instruction on this process will be given at the appropriate time. Applicants who do not comply with the College's requirements in this regard will be excluded from consideration for appointment.

The College will not be responsible for any expenses, including travelling expenses, which candidates may incur in connection with their candidature.

Any attempt by a candidate either personally or through any other person, on their behalf, to canvass or otherwise influence the outcome of the selection/interview process in his/her favour will lead to disqualification from the competition. Any representations made on behalf of a candidate, without his/her knowledge will be ignored.

Mary Immaculate College is an equal opportunities employer.
