

Our STEM Challenge:

S

What questions would
a **Scientist** ask?

T

What questions would
a **Technologist** ask?

E

What questions would
an **Engineer** ask?

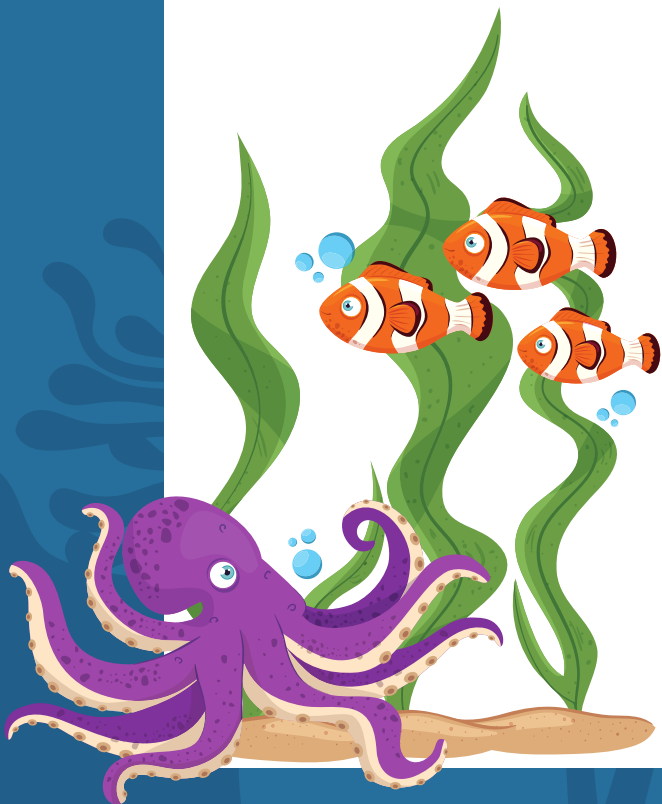

M

What questions would
a **Mathematician** ask?

Brainstorming possible solutions:

Use this space to create brainstorm maps, jot down ideas, design models, etc.

Where could you find out information to help you with your VR story?

Can you think of offline and/or online resources your group could use to help with your research?
