

Four Year B.Ed., B.Ed International and B.Ed. & Psychology

In the four year B. Ed programmes *professional placement* occurs over four years and positions the classroom and school as places to learn *to* teach and to learn *about* teaching. The Alternative Educational Experience placement affords students the opportunity to experience educational settings outside the primary school.

Professional Placement Year 3, 2022/2023

Professional Placement 4: Alternative Educational Experience

- Placement in alternative educational settings
- The student is based in a professional setting of his/her choice (e.g hospital schools, SEN schools, Montessori, schools in Northern Ireland etc...)*Covid restrictions may apply
- It is a non-partnered placement
- The placement involves observation and assistance
- A minimum of 50 hours over a minimum of 10 working days is needed during May 2023 – August 2023
- Assessed by coursework
