5. APPLICATION AND SELECTION PROCESS

Method of Selection for Recommendation

Shortlisting

An expert group will convene to conduct shortlisting of applicants, measured against pre-determined criteria.

The criteria that will be used to shortlist candidates for this appointment are:

- A qualification at level 7 or higher on the National Framework of Qualifications in a relevant technical discipline;
- A minimum of 1 years' relevant ICT experience;
- Knowledge of software installation and configuration including Office 365;
- Knowledge of ICT client hardware configuration and support;
- Excellent oral and written communication skills and the ability to explain technical matter clearly and accurately;

Normally the number of applications received for a position exceeds that required to fill the position. While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the College may decide that a limited number will be called to interview. This is not to suggest that other candidates are necessarily unsuitable to undertake the job, rather that there are some candidates, based on their application, appear to be better qualified and/or have more relevant experience. It is incumbent, therefore upon the applicant, to ensure that all relevant information is included in their application and that they clearly identify how they meet the specified candidate criteria.

The selection process may include an aptitude assessment of one or more of the essential competencies for the post.

Interview

A recommendation for appointment will be made by an Interview Board. The appointment will be based on this recommendation, except where considerations of health or an unsuitable record in previous employment warrants a departure. A panel will be formed from which permanent and temporary appointments to the position of **ICT Support Officer** may be filled during the life of the panel (12 months).

Candidates must produce satisfactory documentary evidence of all training and experience claimed by them, if required.

Medical Examination

For the purpose of satisfying requirements as to health, successful candidates, before being appointed, may be required to participate in pre-employment health screening.

Garda Vetting

All successful applicants may be required to participate in Garda vetting. Specific instruction on this process will be given at the appropriate time. Applicants who do not comply with the College's requirements in this regard will be excluded from consideration for appointment. Applicants who have resided outside Ireland for a cumulative period of 36 months or more over the age of 18 years must furnish a Foreign Police Clearance (FPC) from the country or countries of residence. Please note that any costs incurred in this process will be borne by the applicant.

Applicants Outside European Economic Area (EEA)

Mary Immaculate College welcomes applications from candidates outside the EEA, however such applicants should familiarise themselves with relevant Government policy before making an application.
