

## Non-EU Study Destinations – Academic Year 2022/23

The reopening of Australia’s borders is still being fully decided as of November 2021. The International Office can therefore not guarantee that study mobilities can take place to Australia in 2022/2023 but do encourage you to contact us for the most up to date information.

Timely visa applications for non-EU countries are the responsibility of the student. The International Office does not have any direct contact or influence with the individual Embassies.

Non-EU programmes of study are not grant-aided i.e. the student will not receive a monetary grant from the E.U. for study outside of the E.U.

To be considered for nomination, minimum QCAs apply- B.Ed. students should achieve a minimum of 2.8 in their 2nd year autumn exams, BA and BA ECCE students should achieve a minimum of 2.6 in their 2nd year autumn exams. Applications will not be processed for students who do not meet their required minimum QCA.
