

## Assessment Regulations

Students shall comply with all directions from the invigilators.

Students are required to present on entrance to an examination venue a valid MIC student ID card. In exceptional circumstances, other valid photo identification will be acceptable. Entry will not be permitted without such identification.

Students shall display valid identification on their desk or assigned work areas.

A clean desk policy is in operation for all examinations: only authorised stationery and material and the valid identification will be allowed on the desk.

Students shall not engage in unauthorised collaboration or attempted collaboration, copying or attempted copying.

Students shall not have in their possession, use or attempt to use a mobile phone, smart watch or other unauthorised material.

Each student is responsible for ensuring that their examination booklet and associated materials are in the possession of an invigilator before leaving the examination venue. Students shall write their ID number clearly on all materials submitted to the invigilator.
