# Geological Survey Ireland Temporary Graduate Positions

Geological Survey Ireland is Ireland's national earth science knowledge centre, working on behalf of the Irish public. Positions are now open for graduate geologists to work for 11 months and gain valuable experience in the Earth Science sector in Ireland. Geological Survey Ireland is a division of the Department of the Environment, Climate and Communications and is located at Beggars Bush, Haddington Road, Dublin 4, D04 K7X4. Opening for 6 graduate geologists. Work location will be dependent on COVID-19 restrictions. Any field work carried out will be in accordance with COVID-19 protocols.

## Requirements

- must hold, or be due to be conferred with, an Honours degree (2.2 or higher) in Geology or related discipline. Year of graduation must be 2019, 2020 or 2021.
- must hold a full driving licence.

## Application Process

- Complete the application form and submit with a cover letter to [opportunities@gsi.ie](mailto:opportunities@gsi.ie)
- Cover letter should outline your suitability for the role.
- Closing date for applications is 12:00 noon on 15 March 2021.
- Shortlisted candidates will be interviewed.
- Successful candidates must be available to begin work on 8 June 2021
- Canvassing will result in disqualification.
- Salary for 11 months is based on €32,321 (per annum)
- Further information is available on the application form and website.
