

MIC Departmental Assistantship Scheme Information Sheet AY2022/23

INTRODUCTION

The terms and conditions of the Mary Immaculate College (MIC) Departmental Assistantship Scheme are approved by the Executive Team (ET). Through the Departmental Assistantship Scheme, the College makes provision for the appointment of a number of registered postgraduate research students (PGRS; MA by research and thesis and PhD only) as Departmental Assistants (DAs). DAs benefit from the financial support afforded to them and gain valuable experience through teaching and working with academic colleagues. DAs in turn make a valuable contribution to the academic activities of Departments, Research Institutes, Faculties and the College in general.

The Scheme is managed by the Research and Graduate School (RGS) on behalf of the Executive Team, including management of appointment contracts, annual renewal and discontinuation of DA Awards.

Selection of DAs, induction, definition and apportionment of duties, monitoring and evaluation are the responsibility of Academic Departments.

1 Overview of the MIC Departmental Assistantship Award Scheme

One new DA per annum is available to each Department. DA contracts are annually renewable for up to 3 years (2 years for MA by research and thesis students) subject to satisfactory performance as determined by the Head of Department. Each DA is offered by open and publicly advertised competition. All current and prospective PhD and MA (research and thesis) students may apply for a DA Award, but the Award can only be taken up by PGRS once they are registered in MIC.

Departments can also compete for one additional DA Award in the same Academic Year (AY) under the Floating Departmental Assistantship (FDA) Scheme (see separate information sheet).

A DA Award currently provides for a stipend of €6,900.00 per annum (AY2022/23) along with a fee waiver for a maximum of three years within the normal duration of programme for PhD students. Where a DA Awardee who has received funding for three years enters a 4th year of studies, a fee waiver is provided, but no stipend is payable in Year 4 and no duties are required in Year 4. MA (research and thesis) students who receive a DA Award are entitled to a stipend of €6,900.00 (AY2022/23) with a fee waiver for a two-year period. A fee waiver consists of a contribution to defray tuition fees for a student

for the normal duration of their programme (4 years for a PhD student; 2 years for a Research Masters student). Students outside of the normal duration of their programme may not avail of a DA.

The amount of a fee waiver is at the discretion of MIC and it is not guaranteed that a fee waiver will defray the full fees in the case of all programmes. Stipend instalments are normally paid monthly beginning in September and ending in May (9 instalments per academic year).

DAs are required to provide up to a maximum of 120 hours of assistance to their home Department across the academic year or an average of 5 hours per week per semester. DAs may not exceed 10 hours duties in any given week during the semester.

In compliance with the Employment (Miscellaneous Provisions) Act, 2018, the allocation of these duties must be recorded by the Head of Department on the DA Contract Request Form AY2022/23. This form must be deposited with the RGSO before DA contracts can be processed.
