## Appendix 1: Appeals

If my application is unsuccessful, can I appeal?

Yes, however, there is only one basis for making an appeal.

1. That you believe that there was an 'administrative error in assessment' i.e. that you think that a mistake was made when your application was being reviewed that led to you not being awarded a bursary.

You have 10 days, from the receipt of your application outcome, to lodge an appeal if you are unhappy with the decision. If you fail to lodge an appeal within this timeframe, your appeal will be invalid. Appeals will be reviewed by representatives from the Mid-West Cluster. Representative(s) from your Higher Education Institution will not be involved in the appeals process. No member of staff involved in making the original decision will be involved in the appeal decision process. A letter detailing the outcome of your appeal will be emailed to you. There will be no further stage of appeal beyond this final decision.

The opening date of the appeals process will be advised in due course.
